### A true blue water cruiser

"Mots Blues" is a true Blue Water cruiser with her center cockpit and round bilged hull. She has all the equipment you wish for in such a yacht: hydraulic furling mainsail and genoa, a fixed cutter sail, solar panels, generator, a full set of navigation instruments, bimini and much more. The fresh looking interior is built in white washed oak and the layout is cleverly designed, sleeping 6 people in 3 cabins and two extra (passage berths) in the saloon. The galley and navigation area is located directly at the entrance. The center cockpit offers a superb protection to any weather. She is lying in the south of France and directly available. Please contact us for further information!
