Maxum 2600 SE

"ETHEREUM"

Dry Berth Available - Parkstone Bay Marina, Poole

Offered for sale through Parkstone Bay Yachts in Poole, this Maxum 2600 SE is a stylish American sports cruiser that blends performance, comfort, and practicality – ideal for family adventures, relaxing weekends away, or enjoying water sports on the coast.

Powered by a 300HP MerCruiser 350 MAG petrol inboard engine and driven by a Mercury Bravo Three outdrive with duo props, plus the inclusion of bow and stern thrusters, trim tabs, and an electric anchor windlass, makes handling and mooring remarkably straightforward, even for less experienced skippers.

The cockpit is a standout feature, offering plentiful space for socialising, dining, or sunbathing. A recent upgrade of grey faux teak decking throughout the cockpit and bathing platform not only enhances her appearance but also improves safety and comfort underfoot. The helm is equipped with an upgraded Raymarine Dragonfly 5 chart plotter.

Below deck, the Maxum is surprisingly spacious for her size. She offers a comfortable two-cabin layout with four berths, making overnight stays and extended cruising a pleasure. The compact galley includes a fridge, microwave, and electric hob, allowing for convenient onboard catering, while the heads compartment is fitted with an electric toilet and a pull-out shower for added comfort.

Combining sporty looks, practical features, and generous accommodation, this Maxum 2600 SE is a fantastic choice for those seeking a well-rounded cruiser. She's currently lying in Poole and available to view through Parkstone Bay Yachts.
