Swedish quality yacht

The Najad 511 "Ti Sento" is the epitome of luxurious living space paired with exceptional performance and sea-worthy comfort. Whether you're cruising Nordic waters or basking in tropical paradises, this beauty is fully equipped with air conditioning and a separate heating system for your utmost comfort. In 2022 the mast has been replaced to improve her performance. Ready to embark on a circumnavigation adventure, she boasts an extensive collection of spare parts and a fresh set of sails from 2019 / 2022, ensuring she's primed for any journey. Don't miss out on the opportunity to make her yours. Step aboard and experience the elegance of the Najad 511 for yourself. Preliminary brochure. Some items in the pictures may not be included in the sale.
