2004 WINDY 28 GHIBLI

Parkstone Bay Yachts is very fortunate indeed to present this sublime Windy 28 GHIBLI to market, powered by a single Volvo Penta V8 Petrol.

Produced between 1999 and 2011, the Windy 28 Ghibli is a timeless classic in the world of sports boats. Inside, you'll find a compact galley equipped with a diesel hob, a convertible double berth, and a separate head. The cockpit can be fully enclosed, making it an ideal choice for weekend getaways; however, many owners have also appreciated its versatility as a high-performance day boat. The Ghibli's striking design features are unmistakable, with a sleek, elegant bow, graceful sheer, and raked windshield that embody the essence of a true powerboat.

The design quickly gained popularity, with media responses noting things like, "this may be the ideal dayboat" and "crafted to Windy's high standards, the Ghibli boasts an impressive hull that handles rough conditions with ease."

This particular example has been cared for in such a way that would put most boat owners to shame, her careful owners have provided all the care a *Windy* deserves without a thought to expense and simply the vessels longevity in mind.

Her Volvo Penta Petrol engine has been serviced extremely well by on-site engineers and Windy UK Dealers "Saltwater Solutions".

Additional Description

- The driving seat, facing the carefully thought-out dashboard, can be rotated to join a small sofa to starboard and a large L-shaped sofa to port and make space for 8 around the cockpit table.
- The seat back of the L-shaped sofa can be slid to the rear of the sunbed behind to make a large area for lounging, while an exclusive teak deck leads from the cockpit through a passageway to starboard to the bathing platform aft.

Below Deck

- The Ghibli's luxury is self-evident in the below-deck saloon, with its exclusively equipped galley in high-gloss mahogany, heads and large U-shaped sofa, which converts into refined berths by lowering the table.
